

Over the last several years, students across Rutherford County Schools (RCSNC) have joined school-sponsored running clubs that help them exercise safely and prepare for the Leader of the Pack 5k, and they are all extremely excited for this run every year as they get to compete against groups from other schools! In addition to student runners, families, individuals and groups from across the community participate in this fun event by running, walking, dressing in wacky costumes, donating, volunteering and sponsoring. Awards are given for overall and age group race winners, as well as to schools with the most participation.

Funds raised through this event go directly to Rutherford County School Education Foundation initiatives to support RCS students.
